INDEPENDENT AUDITORS' REPORT

To the Audit Committee Hospice of the North Coast Carlsbad, California

Report on the Financial Statements

We have audited the accompanying financial statements of Hospice of the North Coast (a nonprofit organization), which comprise the statements of financial position as of September 30, 2013 and 2012, and the related statements of activities, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Hospice of the North Coast as of September 30, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedules of operating expenses for the years ended September 30, 2013 and 2012 and the schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 7, 2014, on our consideration of Hospice of the North Coast's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Hospice of the North Coast's internal control over financial reporting and compliance.

Encinitas, California March 7, 2014

NOTES TO FINANCIAL STATEMENTS

Years Ended September 30, 2013 and 2012

NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Hospice of the North Coast (Organization) is a California nonprofit corporation formed in 1980. The Organization's purpose is to provide comprehensive, individualized care for the terminally ill, and to provide grief support and education to the community.

The Organization accomplishes its purpose predominately through patient care. It also provides bereavement support. Based on revenue, major support comes from net patient revenue, contributions and the operation of its resale shop in Encinitas, California.

Financial Statement Presentation

The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

- Unrestricted net assets represent expendable funds available for operations, which are not otherwise limited by donor restrictions.
- Temporarily restricted net assets consist of contributed funds subject to donor-imposed restrictions
 contingent upon specific performance of a future event or a specific passage of time before the
 Organization may spend the funds.
- Permanently restricted net assets are subject to irrevocable donor restrictions requiring that the assets be maintained in perpetuity usually for the purpose of generating investment income to fund current operations.

The Organization had no permanently restricted net assets during the years ended September 30, 2013 and 2012.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Accounts Receivable

Accounts receivable consist primarily of net patient service revenue due from federal and state third-party reimbursement programs. Estimated uncollectible accounts receivable are recorded as a contractual allowance in the statements of financial position. The allowance is based on management's estimate. It is the policy of management to review the outstanding accounts receivable at year-end, as well as the bad debt write-offs experienced in the past to establish an allowance for uncollectible amounts.

Property and Equipment

Property and equipment are recorded at cost or at estimated fair value at date of gift if donated. The Organization capitalizes assets having a value greater than \$1,500 and an estimated useful life of more than one year. Depreciation is computed using the straight-line method over the estimated useful lives of the assets of three to twenty seven and a half years.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction.

NOTES TO FINANCIAL STATEMENTS

Years Ended September 30, 2013 and 2012

NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions (Continued)

When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. Contributions received with donor-imposed restrictions that are satisfied within the same reporting period are reported as unrestricted support in that period.

Many individuals volunteer their time and perform a variety of tasks that assist the Organization with various programs. The services do not meet the criteria for recognition as a contribution and are not reflected in the financial statements.

Donated Inventory Items

The Organization records donated inventory at fair market value. Because the fair value of the inventory cannot be objectively determined prior to its sale, the Organization records donated items as revenue and cost of goods sold in the period sold.

Net Patient Service Revenue

Net patient service revenue is reported at the estimated net realizable amounts from patients, third-party payors, and others for services rendered.

Advertising

The Organization expenses the cost of advertising as incurred.

Income Taxes

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code. The Organization has been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a) of the Internal Revenue Code. The Organization may be subject to tax on income which is not related to its exempt purpose. For the years ended September 30, 2013 and 2012, no such unrelated business income was reported and, therefore, no provision for income taxes has been made.

The Organization follows the provisions of uncertain tax positions as addressed in FASB Accounting Standards Codification. The Organization recognizes accrued interest and penalties associated with uncertain tax positions as part of the income tax provision, when applicable. There are no amounts accrued in the financial statements related to uncertain tax positions for the years ended September 30, 2013 and 2012.

The Organization files informational and income tax returns in the United States and various state and local jurisdictions. The Organization's Federal income tax and informational returns for the years ended September 30, 2013, 2012 and 2011 are subject to examination by the Internal Revenue Service, generally for 3 years after the returns were filed. State and local jurisdictions have statutes of limitation that generally range from 3 to 5 years.

Subsequent Events

The Organization evaluated subsequent events through March 7, 2014, which is the date the financial statements were available to be issued, see note 12.

NOTES TO FINANCIAL STATEMENTS

Years Ended September 30, 2013 and 2012

NOTE 2. CONCENTRATIONS OF CREDIT RISK

Cash

The Organization has deposits in financial institutions that may, at times exceed the federally insured limits. The Organization manages the risk by using institutions management believes to be high quality.

Net Patient Service Revenue

The Organization grants credit without collateral to its patients, most of who are local residents and are insured under third-party payor agreements. The Organization has agreements with third-party payors that provide for payments to the Organization at amounts different from its established rates.

Approximately 97% and 99% of net patient service revenue for the years ended September 30, 2013 and 2012, respectively, was derived under federal and state third-party payor agreements. Accounts receivable from federal and state third-party reimbursement programs at September 30, 2013 and 2012 were 95% and 98%, respectively, of total accounts receivable.

NOTE 3. PROPERTY AND EQUIPMENT

Property and equipment consist of the following:

	_	2013	-	2012
Building Land Furniture and office equipment Computer equipment Leasehold improvements Less accumulated depreciation	\$ _	2,173,045 749,232 108,795 177,788 113,103 3,321,963 (338,871)	\$	1,192,846 416,000 49,155 140,244 85,407 1,883,652 (226,245)
	\$ _	2,983,092	\$	1,657,407
NOTE 4. LONG TERM LIABILITIES				
Long term liabilities consist of the following:	_	2013	-	2012
Unsecured note payable to a financial institution, payable in monthly installments of \$4,947 including interest at 3%, through March 11, 2016 with a final installment of any remaining principal and interest due on April 11, 2016.	\$	147,200	\$	-
Forgivable promissory note terminating February 6, 2033 granted by the Carlsbad City Council for the acquisition of a hospice house. The note bears interest at 0% with no amounts due as long as the Organization adheres to the provisions of the agreement.		1,065,000 1,212,200	-	<u>-</u>
Less current portion	_	(55,711)	-	
	\$	1,156,489	\$	<u>-</u>

NOTES TO FINANCIAL STATEMENTS

Years Ended September 30, 2013 and 2012

NOTE 4. LONG TERM LIABILITIES (Continued)

Principal payments are due as follows:

Year Ending	
September 30,	
2014	\$ 55,699
2015	57,406
2016	34,095
Thereafter	-
	\$ 147,200

NOTE 5. RESTRICTIONS ON NET ASSETS

There were no temporarily restricted net assets at September 30, 2013. Temporarily restricted net assets of \$19,437 were available for the "Ask for Us" advertising campaign at September 30, 2012.

NOTE 6. OPERATING LEASES

The Organization leases property in Encinitas, California on a lease that expires October 31, 2014. Total rent expense for these leases for the years ended September 30, 2013 and 2012 was \$175,355 and \$168,947, respectively. The Organization leases office equipment. Total rent expense for office equipment for the years ended September 30, 2013 and 2012 was \$21,300 and \$15,053, respectively.

Future minimum payments under these operating leases at September 30, 2013 are due as follows:

Year Ending September 30,		
2014	\$	198,908
2015		37,366
2016		21,958
2017		1,785
Thereafter	<u> </u>	
	\$	260,017

NOTE 7. RENTAL INCOME

The Organization leases portions of its building space to two companies under operating leases. One lease expires October 31, 2014 and the other lease expired December 31, 2012. Revenue under the lease agreements for the years ended September 30, 2013 and 2012 were \$51,248 and \$65,638, respectively.

Future minimum lease payments to be received under operating leases are as follows:

Year Ending	
September 30,	
2014	\$ 33,251
2015	2,771
Thereafter	
	\$ 36,022

NOTES TO FINANCIAL STATEMENTS

Years Ended September 30, 2013 and 2012

NOTE 8. EMPLOYEE RETIREMENT PLAN

The Organization sponsors a 401(k) profit sharing plan. The plan covers substantially all employees. The Organization may make a matching contribution equal to a percentage of eligible employees' contributions and up to a percentage of pay chosen by the Organization. The Organization elected to match 100% of eligible employees' contributions up to 3% of gross pay for the years ended September 30, 2013 and 2012. Contribution expense for the years ended September 30, 2013 and 2012 was \$52,401 and \$37,328, respectively.

NOTE 9. SPLIT-INTEREST GIFTS

The Organization is a beneficiary of a split-interest irrevocable charitable remainder trust which was created in 1993. Upon termination of the trusts, the Organization will receive a 33.33% of the assets remaining in the trust. The trust fund is held by others and the present value of the estimated future amount to be received from the trust is not estimable therefore the investment has not been recorded.

NOTE 10. FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on time and usage.

NOTE 11. RECLASSIFICATIONS

Certain items in the 2012 financial statements have been reclassified to conform to current year classifications. Such reclassifications had no effect on previously reported changes in net assets.

NOTE 12. SUBSEQUENT EVENT

On November 18, 2013 the Organization entered into an exclusive negotiation agreement with another nonprofit organization to explore a potential affiliation. Discussions regarding the affiliation were ongoing as of the date of this report.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Audit Committee Hospice of the North Coast Carlsbad, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Hospice of the North Coast (a nonprofit organization), which comprise the statement of financial position as of September 30, 2013, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 7, 2014.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Hospice of the North Coast's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Hospice of the North Coast's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Hospice of the North Coast's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

To the Audit Committee Hospice of the North Coast Carlsbad, California

Report on Compliance for Each Major Federal Program

We have audited Hospice of the North Coast's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Hospice of the North Coast's major federal programs for the year ended September 30, 2013. Hospice of the North Coast's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Hospice of the North Coast's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Hospice of the North Coast's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Hospice of the North Coast's compliance.

Opinion on Each Major Federal Program

In our opinion, Hospice of the North Coast complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2013.

Report on Internal Control over Compliance

Management of Hospice of the North Coast is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Hospice of the North Coast's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Hospice of the North Coast's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
